

General Information for Group Requests via the Website

- Reservations from 10 to 30 seats and with a total cost below €3,000; for all other requests, contact grupos@iryo.eu
- You must be registered on the travel agencies' website.
- One-way or round-trip reservations.
- The price will not appear on the tickets.

- Infants have the same baggage allowance as adults.
- The booking and payment are made first, and then the passenger names are entered to receive the tickets. Tickets will be sent by email once the names have been entered and can also be downloaded from the reservation.
